NATIONAL SERVICE SCHEME (NSS)

It sounds like your institution places a strong emphasis on holistic development and social responsibility through extension activities. The involvement in organizations like NSS, clubs, and societies provides students with opportunities to engage in various projects that contribute to the betterment of society and the environment.

Your NSS wing seems particularly active, engaging in projects such as maintaining cleanliness, conducting awareness campaigns, organizing blood donation camps, and more. These initiatives not only benefit the community but also foster a sense of responsibility and accountability among the students.

The participation of students and faculty in relief efforts during events like the Chennai floods demonstrates a commitment to serving others in times of need. Collecting relief materials from the local community shows a collaborative effort to support those affected by natural disasters.

Overall, these extension activities play a crucial role in shaping students' values and character, aligning with the institution's vision and mission of promoting holistic development and instilling human values.

NATIONAL CADET CORPS (NCC)

In March 2021, our college established a unit of NCC, comprising 50 cadets, which was officially sanctioned by 5 TN AIR SQN (TECH) NCC, Salem. NCC serves as a significant contributor to the growth and development of our nation by nurturing its most valuable asset, the youth. It is essential that our training instills in our cadets the qualities of national service and security, aligning with our aspirations towards achieving national goals.

Clean India Programme

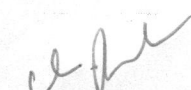

Event Details : Clean India Programme
 Date : 19-10-2022
 Venue : kandukur town
 TOTAL BENEFICIERS : public
 Outcomes : create awareness on cleaning
 Guest Deatails : Mr.K.Srikanth , Director , Prakasam Engineering College
 Organizers : NSS Unit, Prakasam Engineering College, Kandukur

At that situation Dr.K.Ramaiah garu told that prakasam engineering college correspondance is always ready for helping charity funds & studies for poverty people. Swachh Bharat Mission, Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India on 2 October 2014 to eliminate open defecation and improve solid waste management and to create Open Defecation Free (ODF) villages. The program also aims to increase awareness of menstrual health management.[2] It is a restructured version of the Nirmal Bharat Abhiyan which was launched by the Congress in 2009 that failed to achieve its intended targets due to rampant corruption and indecisive leadership.

Hence I would like to thank the coordinators of NSS Cell, JNTUK for their guidance and support and encouragement to organise these kind of programmes in our college.

Date of the Event : 01.04.2019
Total Beneficiaries : Public
Outcomes : Create awareness on Malaria and Dengue among public
No. of NSS Volunteers : 40

Dengue and malaria are transmitted via vectors. In India, outbreaks have become more frequent over time. On 01.04.2019, volunteers and NSS participants from PEC staged a dengue and malaria awareness rally to raise awareness of the threat. The demonstration was held on the college grounds, moving via the main road towards kandukuru bustand. This event involves 40 students. Students held banners, posters, and pamphlets with the phrases "clean your surroundings," "Mosquito net saves life," and "Prevention is better than treatment" to educate the public and make them aware of the gravity of the situation. People have also been educated on the need of maintaining a clean environment for their own health and safety.
